A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be the best ebook for possibly.

Hay House UK Ltd. Paperback. Book Condition: new. BRAND NEW, Nothing Changes Until You Do: A Guide to Self-Compassion and Getting Out of Your Own Way, Mike Robbins, Bestselling author Mike Robbins had a life that many little boys dream of. Drafted by the New York Yankees directly out of high school, Mike decided instead to postpone his professional baseball career until he finished college. After a successful stint at Stanford, he began life in the minor leagues as a pitcher with the Kansas City Royals organization, where he played for three years until an injury benched him for good. This devastating disappointment changed his life in wonderful ways that he could have never imagined. He now teaches and speaks around the world about teamwork, emotional intelligence and the value of appreciation and authenticity. In Nothing Changes Until You Do, Mike's third book, he looks at one of the most important and challenging aspects of life - our relationship with ourselves. Through 40 short essays, Mike shows readers that none of this is true, and brings to light a new way to look at life. With themes spanning from the importance of trusting yourself to the benefits of vulnerability to the strength inherent in embracing powerlessness and change, Mike will help readers get out of their own way, so they can live a good life. He shows that with a little self-compassion and a healthy dose of self-acceptance, anyone can turn away from the negatives that manifest because of a critical self-perception- things like unkindness, addictions, sabotaged relationships,...
