Equality between women and men is one of the objectives of the European Union. With the aid of legislation, case law and amendments to the contracts it had gradually succeeded to give emphasis to this principle and apply it in the EU. This work will now try to show you this development. In the beginning, there will be a description of legal framework in the EU. This framework essentially bases on Article 157 TFEU and the Directive 2006/54. Afterwards follows the development of case studies by the jurisprudence of the ECJ in more detail. Keep on with the content of Article 157 TFEU with...
