COURSE OF ACT

iUniverse, Inc. Paperback. Book Condition: New. Paperback. 117 pages. Dimensions: 8.8in. x 5.9in. x 0.4in. Course of Act (ISBN-13 9780595321582; McGuire T. Bailey, Jr. ; iUniverse. com), is a contemporary novel I wrote in the style of literary prose, mimicing learnd or scholarly acumen. I chose this writing style to have the narrative portray differentiation of Character, as the story portrays the unuttered conversation of a clandestine class of omnipotent Diety, ruminating over the mundanaeties of beings created in its image. I begin the screenplay with vague highlights of a crucial events vividly described in the pages of the novel which gradually become clearer as clues about violent attacks on young male students reveal. Nana is an all-American gal with Native American roots and acute sensitivities to superstitions in her Ancestral culture. She relishes close friendships; characteristic of her afinity to Love as she has come to understand it. Inevitably she finds herself deeply disturbed by her, then, boyfriends indiscretions and decides to embark on a soul searching journey of her own accord. Ineki Louai, a gorgeous Asia-Pacific islander, was once a voracious and avaricious news hound who one day took her craft to the brink of Hell. She forced her way into a secured building to capture stills for a cover article in her magazine, only to overhear a shocking threat of impending violence in a very private conversation. She becomes haplessly thrust into the arms and charms of her Therapist, a Dr. Zhe, of whom she later marries and loves in a fanciful non-conventional Lifestyle. Detective Punji is an indigenous sleuth who wields his influence, to and beyond the extent of his own powers to unravel disturbing developments plagueing his prim and quiescent village. He soon learns of the limitations in his biased Weltanshauung leanings, as he is compelled...
