Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Notes on Field Artillery for Officers of All Arms This little book is an expansion and rearrangement of a course of lectures given by me in the United States Infantry and Cavalry School, and has been prepared for publication in its present form at the suggestion of Major John F. Morrison, General Staff, Senior Instructor Department of Military Art, Army Service Schools. Possibly it may help, in a small way, to interest officers of other arms in Field Artillery, and thus strengthen the feeling of unity throughout the service. The books to which I have most frequently referred in collecting material are the following: Rouquerol: The Tactical Handling of Quick-Firing Field Artillery. May: Field Artillery with the Other Arms. Hohenlohe: Letters on Artillery. Rohne: Die Taktik der Feldartillerie fur die Offiziere aller Waffen. Langlois: L artillerie de Campagne en Liaison avec les autres Armes. Culmann: Le Canon a Tir Rapide dans la Bataille. Layriz: Moderne Feldartillerie. Drill regulations, official and semi-official manuals of our own and other armies. Reports of American observers in Manchuria. Journal of the United States Artillery. Rouquerol s and May s books are particularly recommended to those who care to read more on the subject. Among the officers who have rendered me assistance, I wish to express especial obligation to Captain Dwight E. Aultman. Fifth Field Artillery, and Captain Arthur L. Conger, Twenty-ninth Infantry, who have aided me by advice and criticism during the whole time that the manuscript was in preparation. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books...
