

## The Mongols: A Very Short Introduction

---

By Morris Rossabi

Oxford University Press Inc. Paperback. Book Condition: new. BRAND NEW, The Mongols: A Very Short Introduction, Morris Rossabi, The Mongols carved out the largest land-based empire in world history, stretching from Korea to Russia in the north and from China to Syria in the south in the thirteenth century. Along with their leader Chinggis Khan they conjure up images of plunder and total destruction. Chinggis and his descendants introduced a level of violence that had perhaps never been seen in world history. Although this book does not ignore the devastation and killings wrought by the Mongols, it also reveals their contributions. Within two generations, they developed from conquerors and predators seeking booty to rulers who devised policies to foster the economies of the lands they had subjugated. Adopting political and economic institutions familiar to the conquered populations and recruiting native officials, they won over many of their non-Mongol subjects. Mongol nobles were ardent patrons of art and culture. They supported and influenced the production of Chinese porcelains and textiles, Iranian tiles and illustrated manuscripts, and Russian metalwork. Their most significant contribution was to foster the greatest contacts among diverse civilizations in world history. The Mongol peace they imposed on much...

### Reviews

*Very beneficial for all type of folks. It can be rally intriguing throgh studying time. You will like how the writer publish this ebook.*

-- **Nathan Cruickshank**

*Totally one of the better pdf I have at any time read through. It really is simplified but shocks within the 50 % from the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
