RELIGION AND THE CHALLENGES OF SCIENCE

Ashgate, 2007. Hardcover. Book Condition: New. Dust Jacket Condition: New. First Edition. Does science pose a challenge to religion and religious belief? This question has been a matter of long-standing debate - and it continues to concern not only scholars in philosophy, theology, and the sciences, but also those involved in public educational policy. This volume provides background to the current 'science and religion' debate, yet focuses as well on themes where recent discussion of the relation between science and...
