Createspace, United States, 2013. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The world is evolving and the values and capabilities of leaders must keep pace with and even help shape that evolution. While the virtues of good leaders may be similar through the ages, the consequences of abuse and misuse are amplified in our highly networked, complex, and uncertain times. What does it mean to be a leader with formal power today? The age of command-and-control authoritarianism is fast slipping away, but our need for competent, courageous, and principled leadership is, if anything, even more critical. This book is for you if you: \* Are or want to be in a formal leadership role - whether of a small team or a large organization or nation. \* Want to be a good - even a great -- leader who is respected by those you lead: leveraging for impact, learning, and leaving a legacy. \* Are willing to face into the shadow side of power - the temptations and misperceptions that inevitably attach to authority roles and that may expose both your strengths and your least desirable qualities. \* Are a coach or educator who develops people for formal leadership roles In *The Shadow Side of Power*, join our hero, Adderley, for a fictional journey through the Leadership Inferno in a thought-provoking and accessible story. Having just been promoted to a senior executive-level position in his company, Adderley finds that the temptations are great, and he begins to head down a dangerous road of abuse of his power. But with the help of a wise guide, Peneth, Adderley confronts his shadow side. He travels through the seven circles of an inferno where leaders sins of omission and commission are punished,...
