Brand New Book ***** Print on Demand *****.Excerpt from Chronicles of the Rebellion of 1861: Forming a Complete History of the Secession Movement From Its Commencement, to Which Are Added the Muster Roll of the Union Army and Explanatory and Illustrative Notes of the Leading Features of the Campaign The events connected with the Secession movements of the Southern States, and which roused the people of the North American continent to the highest state of political excitement, will be long held in remembrance. The spectacle of a people so happy and prosperous - living under a Constitution which it was their pride and boast to regard as the most glorious under the sun - a Constitution which, from the expansive character of its principles and provisions, conferred upon its citizens a greater amount of political power, and secured to them a larger extent of civil and religious liberty, than the subjects of any other government - republican or monarchical - plunged into all the dire calamities, the horrors and the sufferings of Civil War, is painful in the extreme. But the ultimate result must be beneficial to the country at large. Although its commercial progress may be arrested in its onward career, and the development of its agricultural, manufacturing and mineral resources, for a time be neglected, the Constitution and laws will come out of the fiery ordeal purged and purified of every corruption which time has attached to the governmental system of the United States. The patriot, the philanthropist, and the statesman, will dwell with feelings of attention and interest upon each and every phase of the great struggle, and from their careful study be more than ever convinced of the greatness and...
