iUniverse, United States, 2009. Paperback. Book Condition: New. 211 x 137 mm. Language: English . Brand New Book ***** Print on Demand *****.Rich, energetic sonic effects and aural sensitivities drive the content of the prose poems created by author Stacy A. Foster and presented in this compilation, Quill s Metamorphosis. The works emphasize Foster s love of language and words. The selection Belly Dancing highlights the music-like quality of her poems, Boneless bodies float through the air, waving like / rippled water in an open sea, beckoning to you and me, / like frozen breath in time, dancing to an unheard rhyme, hypnotized by addictive lines . Sky Swallows also showcases Foster s mastery of words and imagery. Grayscale smoking mountains in the sky overwhelm / so puffy and high, dancing around us in slow motion / rings, spinning winds whistle and sing, until we all fall / down, locked deeply in Mother Earth s arms, a blanket / of soil and feet bound . Quill s Metamorphosis focuses on a variety of experiences, using well-known images such as Heaven, Hell, angels, and Mother Nature to create a voice that offers stories from a particular life, but reflects the universal emotions of self-doubt, love, and relationships.
