Your intuition, higher self, guides, angels, and Creator communicate with you constantly, day and night. These messages come to you as signs, symbols, images, coincidences, omens, and serendipitous events. Even license plates, repetitively seeing the same numbers, songs on the radio, encounters with animals, and other attention-getting events can be Spirit's way of guiding you towards your soul's purpose and enlightenment. Kerry Palframan's Spirit Talk teaches you how to recognize and understand these symbolic messages using the wisdom of the Ancient Mystery School teachings. Once you learn how to interpret the information sent to you in your dreams, you will use the same easy-to-use methods to see, hear, and understand the endless messages that you receive during the day. Spirit Talk provides various step-by-step ways to recognize and interpret your nighttime and daytime messages, and an extensive dictionary of symbols. Spirit Talk is your essential tool for self-empowerment, enlightenment, and self-mastery, as well as a comforting reminder that your Creator is with you every step of the way.
