### Reviews

*A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).*

Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The Park Place Rangers was the moniker given to a group of officers who worked at the Park Place Police substation in southeast Houston, Texas, from the mid-sixties until the station was closed in 1989. They were sometimes considered a wild and rowdy bunch, but no one ever questioned their dedication to curbing crime, chasing bad guys and having a good time doing it. The Park Place Rangers is a fictional account of what might have happened during those years.
