This book may be worth purchasing. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Createspace Independent Publishing Platform, United States, 2013. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.There is a golden thread that runs through the lives and the teachings of all the prophets, seers, sages, and saviours in the world's history, through the lives of all men and women of truly great and lasting power. All that they have ever done or attained to has been done in full accordance with law. What one has done, all may do. This same golden thread must enter into the lives of all who today, in this busy work-a-day world of ours, would exchange impotence for power, weakness and suffering for abounding health and strength, pain and unrest for perfect peace, poverty of whatever nature for fullness and plenty. Each is building his own world. We both build from within and we attract from without. Thought is the force with which we build, for thoughts are forces. Like builds like and like attracts like. In the degree that thought is spiritualized does it become more subtle and powerful in its workings. This spiritualizing is in accordance with law and is within the power of all. Everything is first worked out in the unseen before it is manifested in the seen, in the ideal before it is realized in the real, in the spiritual before it shows forth in the material. The realm of the unseen is the realm of cause. The realm of the seen is the realm of effect. The nature of effect is always determined and conditioned by the nature of its cause.
