Most books misinform, or intimidate the reader, and often are not backed by real life experience. This book is a one of a kind, comprehensive, straightforward, and easy to follow guide to investing. It's written by an experienced investor trained in the value investing, Buffett-Graham school of thought. Like no other book, it covers both the intellectual and emotional discipline needed to be a successful investor. It provides the proper philosophy, shows the path, and emphasizes the principles required to keep and grow your wealth over a lifetime. Over more than a decade, Bogumil has assiduously assembled a set of rules from the writings and the speeches of the world's most lastingly successful investors: these rules have become his chosen investment discipline. [...] He has written a great road map for young investors as well as a thoughtful and very readable guide to spare older neophytes the most common investment mistakes. - Francois D. Sicart, Founder and Chairman of Tocqueville Asset Management. Now comes...
