

## Categories of Revolutionary Military Policy

By T. Derbent

Kersplebedeb. No binding. Book Condition: New. Pamphlet. 38 pages. Dimensions: 8.1in. x 5.3in. x 0.2in. An educational exploration of the concepts of military doctrine, strategy, tactics, operational art, bases of support, guerilla zones, liberated territories, and more. A study of what has been tried in the past, where different strategies worked, and where they failed, all from a perspective concerned with making revolution. Organizations that claim to be revolutionary but which refuse to develop a military policy before the question of confrontation becomes a practical reality, disqualify themselves as revolutionary forces. They are already acting as gravediggers of revolution, the quartermasters of stadiums and cemeteries. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Pamphlet.
