Orca Book Publishers. Paperback / softback. Book Condition: new. BRAND NEW, Five Minutes More, Darlene Ryan, "Every hand I shake, I look into the person's face and wonder what they know. It didn't say in the announcement in the paper. Maybe they think my dad had a heart attack while he was driving. I don't want anyone to know. Because it's not like we really know for sure. I don't want people talking about him and thinking he did something when nobody knows for sure that he did." D'Arcy's dad is dead. She desperately wants it to have been an accident, but she is not sure. And when she learns the truth, things become even more difficult. Why would her father choose suicide? Why didn't she see the signs? Her father had always helped her get through everything in her life--five minutes at a time. Can she do it alone? And then she meets Seth. When will things get back to normal? Learning to live without her father while her mother struggles with her own pain, D'Arcy finds an inner strength she wasn't aware of. She also finds that almost anything is tolerable for five minutes more. Darlene Ryan is the author of "Saving Grace, Responsible" and "Rules for Life." Darlene lives in Fredericton, New Brunswick.
