Random House USA Inc, United States, 1995. Paperback. Book Condition: New. 172 x 106 mm. Language: English . Brand New Book. Detective Inspector Jack Frost, Denton Division, is not beloved by his superiors. In fact, he's something of a pain in the brass: unkempt and unruly, with a taste for crude humor and a tendency to cut corners. They'd like nothing better than to bounce him from the department. The only problem is, Frost's the one D.I. who, by hook or by crook, always seems to find a way to get the job done. It's a high price to pay for a pack of smokes when Frost interrupts his vacation to filch some of Commander Mullett's cigarettes and finds himself pressed into emergency duty. Denton Division is shorthanded after a car crash involving several tipsy high-ranking cops, and on Guy Fawkes night there's more mischief abroad than just a few children making the rounds begging for pennies and lighting firecrackers. In the next few days, Frost will deal with a parade of miscreants, including a blackmailer, a shifty businessman, a not-so-grieving widow, a sexual pervert or two, a crazed housewife, and a cold-blooded kidnapper. The clock is ticking, and Frost is perilously short of clues.
