

Stella and the Star People Colouring and Puzzle Book

By M. A. Brown

Lulu.com, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Stella is brave, fearless and visually impaired. Her Star Quality enables her to see at night, as she travels the Universe along with her Star Guide, Rocky to rescue the Star People in danger. Stella must rely on her emotions, senses of hearing and touch to identify the colours she comes across in her adventures. This colouring and puzzle book is action packed, educational and fun-filled to keep the young mind busy. It accompanies the adventurous fable of Stella and the Star People. Many children do not understand disabilities. Likewise, many parents are not sure how to explain impairment to a curious child. This book gives insight into what visual impairment is from a child's perspective, in a natural but imaginative way, and at the same time portrays the disabled child in a heroical manner. It may be a source of inspiration to those families or children who are learning to deal with impairments.

Reviews

This ebook can be worthy of a read, and much better than other. I have read and i am certain that i am going to planning to go through again once again in the future. You may like just how the writer compose this book.
