From organising the school summer fete.'Because of our inability to recognise our climatic shortcomings from the outset, arrangements for outdoor jollities get completely out of hand'.to the sometimes rather odd passions of childhood: 'I collect stones with holes in them'. I shall know if he still feels like it - me too! - after we've met'. She was born, in fact, when I was struggling to write my first book and needed a village schoolmistress as the narrator.'.
