Gavin Campbell was looking for his missing sister, so he didn t expect to find an injured woman or run into two werewolves willing to save her life. But after giving Hensen Bright and Kade Ridges permission to make Maggie Johnson a werewolf he couldn t just abandon the woman. Staying close had nothing to do with his need to understand three people who had him questioning everything he thought he knew about love. At least that s what he told himself. Hensen thought he had fifty more years before domestic drudgery caught up with him, but fate delivered a huge smack upside the head. Three mates! Can Maggie, Kade, and Gavin forgive him for his previously dismissive attitude? But as they struggle to build their relationships, a mysterious illness is revealed, and Maggie is suddenly at risk of being euthanized. Pursued by their own pack mates, can Hensen, Kade, and Gavin keep Maggie alive long enough to find a cure? Note: This book contains double vaginal penetration. \*\* A Siren Erotic Romance.
