CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 184 pages. Dimensions: 9.0in. x 6.0in. x 0.4in. When Bernard Piffy arrived in Gaza City carrying a dog in a birdcage he didnt think he would be there long. All he had to do was find Yasser Arafats Fuhrerbunker, steal a monitor from the Keepers of the Fleas and bring it back to Asma bint Marwan. It was a half days work at the most. Then he could take a dip in the Mediterranean and fly back to England--or better yet to the States for a few beers with the boys at Joes Bar and Grille and Gun Club. Then he could start afresh on the trail of Yaser Abdel Said, the Dallas cabdriver who had murdered his daughters, Sarah and Amina Said, in a fit of Islamic rage. No one would ever mistake Piffy for Mike Hammer or Shell Scott but he was as tough as a ten-penny-nail soaked in Kickapoo Joy Juice and run through Dantes Inferno. He had been a three-time Junior Calf-Roping Champion and a close-combat instructor in the Marine Corps. He had won hundreds of skeet-shooting championships. He had went over the falls in a barrel; he had survived on goat pee and lichens while lost in the Sierra Madre. But he wasnt prepared for what he encountered in Gaza City--the land of Yasser Arafat, of car bombings, honor killings and nasty old men filled with 1, 400 years of hatred. Che Guevara was there and so was Jimmy Carter. Guevara had been hired by the Keepers to take care of some loose ends--one of them being Bernard Piffy. And Aisha was there--lovely little Aisha who had saved the ten-year-old version of Bernard Piffy from getting beat up in an alley...
