Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This Star Sails Four Pack Volume One Includes the Following 4 Stories: Tin Machines is #5 in the Star Sails series. Limping on their way home, the crew of the SS Falcon are in desperate need of supplies. The most important is gluonite so that they can get their hyper drive working. Without faster than light engines running, it ll take them close to 30 million years to get back home. That s a little longer than the estimated life of the good ship Falcon. They stumble upon the Ralens, an advanced alien race who have been overrun by their robotic laborers they call The Unknowns. If they can help the Ralens, Captain Stone and his men might be able to grab some much needed supplies. But why has Scot Free, their android, gone rogue and trotted off to join the Tin Machines? Brother s Keeper is #6 in the Star Sails series. Captain Stone and his crew of the SS Falcon are still trying to figure out how to get home to Earth from the Virgo Cluster. Problem is, they don t have gluonite. And without gluonite they can t engage faster than light flight. Coming across a stranded and badly damaged vessel that carries a single surviving soul harkens good fortune. Dr. Kelly finds this alien has remarkable genetic abilities including off the scale intelligence. Could he be their hope of reworking the hyper drive to get faster than light flight without the much needed gluonite? Possibly, except that he is an escaped convict determined to have the crew of the Falcon as his slaves and playthings. Will Stone and his crew be able...
